

Middleton Grange international college

Middleton Grange is a New Zealand state-integrated school, offering classes from Year 1 (5 years old) to Year 13 (18 years old).

We are located in the beautiful garden city of Christchurch, a thriving city of 400,000 people and international gateway to the South Island of New Zealand.

There are five specialist schools on the campus. We begin with a pre-school and finish with a Senior College. For our international community we have established Middleton Grange International College. As much as possible international students study alongside New Zealand students. But having an International College means we can create special programmes to help international students when they need it.

Making friends with New Zealand students is actively encouraged at Middleton Grange. We have a great reputation. In a recent survey Middleton Grange was the one school where international students said they made friends with New Zealand students. The friendships made here are not just between students, but between whole families and will last a lifetime. We value your interest in our fine school. If you are looking for a friendly place where international students are provided an excellent education and are looked after like family, then Middleton Grange International College is the place for you.
